# PM-90CX - TEKNİK ÖZELLİKLER

## TECHNICAL SPECIFICATIONS

| Özellik / Feature          | Değer / Value         |
|----------------------------|-----------------------|
| <b>Motor</b>               | <b>YANMAR(STAGE5)</b> |
| <i>Engine</i>              |                       |
| <b>Model</b>               | <b>4TNV88-BDSA</b>    |
| <b>Silindir</b>            | <b>4</b>              |
| <i>Cylinders</i>           |                       |
| <b>Brüt Güç (kW)</b>       | <b>35</b>             |
| <i>Gross Power (kW)</i>    |                       |
| <b>Nominal Hız (rpm)</b>   | <b>2500</b>           |
| <i>Nominal Speed (rpm)</i> |                       |
| <b>Yakıt Tankı</b>         | <b>90 Lt</b>          |
| <i>Fuel Tank</i>           |                       |
| <b>Yağ Basınç Aralığı</b>  | <b>180 bar</b>        |
| <i>Oil Pressure Range</i>  |                       |
| <b>Joule</b>               | <b>1600 Nm</b>        |
| <b>Yağ Akışı</b>           | <b>70-90</b>          |
| <i>Oil Flow</i>            |                       |

|                               |                         |
|-------------------------------|-------------------------|
| <b>Vuruş Sayısı</b>           | <b>600 - 1100 / dk.</b> |
| <i>Strike Number</i>          |                         |
| <b>Max. Çakma Boyu</b>        | <b>5200 mm</b>          |
| <i>Max. Hammering Range</i>   |                         |
| <b>Kule Açısı Ön</b>          | <b>20°</b>              |
| <i>Tower Angle Front</i>      |                         |
| <b>Kule Açısı Sağ/Sol</b>     | <b>20° (+10°)</b>       |
| <i>Tower Angle Right/Left</i> |                         |
| <b>Max. Çalışma Açısı</b>     | <b>28°</b>              |
| <i>Max. Working Angle</i>     |                         |
| <b>Genişlik</b>               | <b>1900 mm</b>          |
| <i>Width</i>                  |                         |
| <b>Uzunluk</b>                | <b>2700 mm</b>          |
| <i>Length</i>                 |                         |
| <b>Yükseklik</b>              | <b>2600 mm</b>          |
| <i>Height</i>                 |                         |
| <b>Ağırlık</b>                | <b>4500 Kg</b>          |
| <i>Weight</i>                 |                         |
